

## **The Adam Marc Bignell Bursary Program**

The Adam Marc Bignell Bursary program was founded in 2012 and provides financial support to students attending post-secondary education. Our hope is to help a student(s) pursue their future goals. This bursary is not about the highest grades or greatest athleticism; it is about you and your desire to contribute to the world around you.

In the form of a letter, please respond to the Mandatory and Technical Requirements listed below. Please do not submit grades or letters of reference.

### **Mandatory Requirements:**

1. Clearly outline in your application letter your name, the Post-Secondary institution you will be attending and the program.

### **Technical Requirements:**

In the form of a letter, please answer one of the following topics. You must clearly outline in the opening which question you are responding to:

- Please tell us how you plan to leverage your post-secondary education to improve the world around you. This can be improvements in your local community, nationally or internationally.
- Thinking of your own experiences, what have you learned that you can share with others to help them along in their own journey.
